

Carol Arnosti

Research Interests

- Microbially-driven cycling of organic matter in sediments and the water column
- Relationships between microbial community composition and function
- Structural characterizations and transformations of macromolecular organic matter
- Development/application of novel methods to measure microbial enzyme activities

Education

- Ph.D. M.I.T./Woods Hole Oceanographic Institution; Chemical Oceanography (1993)
B.A. Lawrence University, chemistry; *magna cum laude*, Phi Beta Kappa (1984)

Professional Experience

- Professor*, Dept. of Earth, Marine, and Environmental Sciences 7/2021-
Professor, Department of Marine Sciences 7/2006-6/2021
Visiting Professor, Max Planck Institute for Marine Microbiology 2019/20 (Dec-July);
(Bremen, Germany) 2018 (Jan-June);
2015/16 (Dec.-June);
2014 (Sept-Dec.)
2011 (Sept-Dec.)
2001/02 (June-May);
2000 (May-Aug);
1999 (Feb.-July)
Hanse Fellow, Hanse Institute for Advanced Studies 2015/16 (Dec.-June)
(Delmenhorst, Germany) 2014 (Sept-Dec.)
2001/02 (Sept.- May)
Associate Chair, Department of Marine Sciences 2005-2012
Guest Scientist, Alfred Wegener Institute for Polar and 2008 (Jan-May)
Marine Research (Bremerhaven, Germany)
Associate Professor, Department of Marine Sciences, 2001-6/2006
University of North Carolina-Chapel Hill
Assistant Professor, Department of Marine Sciences, 1995-2000
University of North Carolina-Chapel Hill
Fulbright and NSF/NATO Postdoctoral Fellow, 1993-1994
Dept. of Biogeochemistry,
Max Planck Institute for Marine Microbiology
(Bremen, Germany)
Graduate Student, Joint Program in Chemical Oceanography, 1987-1993
Massachusetts Institute of Technology and
Woods Hole Oceanographic Institution
Fulbright Fellow, Technical University of Aachen, and 1984-1986
Institute for Petroleum and Organic Geochemistry
(KFA-Jülich, Germany)

Field work: 30 research cruises in the North Atlantic, Pacific, and Arctic Oceans, in coastal North Carolina, and the Gulf of Mexico. One month at McMurdo Station, Antarctica.

Awards and Fellowships

Lifetime Achievement Award in Aquatic Enzymology (2016)
[International Conference on Enzymes in the Environment]
Hanse Fellowship, Hanse Institute for Advanced Studies, 2001-2002; 2014; 2015-16
Academic Leadership Fellowship, UNC; 2007
Lawrence University Alumni Distinguished Achievement Award, 1994
NSF/NATO Postdoctoral Fellowship, 1994
Fulbright Postdoctoral Fellowship (Germany), 1993-94
Ruth and Paul Fye Award [from WHOI], Best Student Paper, 1993
NSF Summer Institute in Japan, 1990
Graduate Fellowship, Office of Naval Research, 1987-1990
Thomas J. Watson Fellowship (Western Europe), 1986-1987
Fulbright Fellowship (Germany), 1984-1986
First Team Academic All-American (basketball): 1983; 1984
Phi Beta Kappa, 1983

Graduate sponsor/postdoctoral advisor/undergraduate mentor to 3 postdocs, 9 graduate students, committee member for 36 graduate students, 53 undergraduate research students

Select recent professional service activities

American Geophysical Union, secretary for Marine Geochemistry, within the Ocean Sciences section (2020 -)
NSF Advisory Committee for Geosciences; member (2020 -)
Ocean Studies Board, National Academy of Science; member (2019 -)
U.S. Committee for the UN Decade for Ocean Science for Sustainable Development, member (2020 -)
U.S. National Committee for SCOR (Scientific Committee on Oceanic Research), representative (2019 -)
American Association for the Advancement of Science, Section on Atmospheric and Hydrospheric Sciences; Member-at-large (2015-2019)
Ocean Carbon and Biogeochemistry (OCB) scientific steering committee, member (2013-2015)
